NEW COMMUNITY-BASED ORGANIZATION ON CAMPUS SOON!

SeattleCounselingService

PROUDLY SERVING THE LGBT COMMUNITY SINCE 1969

Project PEER (Peer Education Enrichment Resource) is a peer-led outreach and non-medical case management program aimed to help individuals who are at high risk for acquiring HIV. Our Peer Support Specialists (PSS) link individuals to preventative treatments, resources, and help them navigate the healthcare system. The PSS will accompany clients to their needed PrEP appointments and regularly check-in with the client in regards to their medical adherence.
